Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the

conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more. To request a refund, contact us at the address or phone number as noted on page 3 for Customer Care & Billing Inquiries.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

- **Dollar amount:** The dollar amount of the suspected error.

- **Description of Problem:** Describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.

- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we may not follow these procedures and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we will do two things:

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Information on Pay Over Time

There is a no pre-set spending limit on your Card

No Preset Spending Limit means your spending limit is flexible. Unlike a traditional card with a set limit, the amount you can spend adjusts based on factors such as your purchase, payment, and credit history.

Pay Over Time Limit

There is a limit to your Pay Over Time feature balance. Your Pay Over Time Limit is \$35,000.00. We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time Limit. You must pay in full all charges that are not placed into a Pay Over Time balance by the Payment Due Date.

Available Pay Over Time Limit

Your Available Pay Over Time Limit is \$25,765.31 and is accurate as of your statement date. This Limit is the remaining amount that you can add to your Pay Over Time balance. The Available Pay Over Time Limit amount is calculated by subtracting your Pay Over Time balance from your Pay Over Time Limit. If you have a preset spending limit on your account that is less than your Pay Over Time Limit, you may not be able to use some or all of your Available Pay Over Time Limit.

Pay Over Time Setting: ON

The setting indicated above is accurate as of your statement closing date. For the most up to date setting, please refer to your online account. If your setting is On, eligible charges will be placed in your Pay Over Time balance up to your Pay Over Time Limit. If your setting is Off, all charges will be added to your Pay In Full balance and no new charges will be included in your Pay Over Time balance. If you have an existing Pay Over Time balance, you can continue to pay this off over time with interest, as long as you pay your minimum due each month by your Payment Due Date.

Updates to your Delta Sky Club benefit

We want to inform you of the following changes to the Delta Sky Club benefit available through the American Express Global Lounge Collection Program. Previously announced changes communicated earlier this year to take effect on February 1, 2025, have been updated further, as stated below:

Effective January 1, 2024: Eligible Business Platinum Card® Members traveling on a same-day Delta-operated flight with Basic Economy (E) fare tickets will not have access to the Delta Sky Club or to Grab and Go.

Effective February 1, 2025: Business Platinum Card Members and Additional Platinum Card Members on the Account will each receive **(10) ten Visits per year to Delta Sky Clubs**, and each Visit will **now be valid for 24-hours** starting upon the first Delta Sky Club entry or Grab and Go usage. Here are additional details:

- A "Visit" is an entry to one or more Delta Sky Clubs or usage of the Delta Sky Club Grab and Go feature, at one or more airports, for a period of up to 24-hours starting upon the first Delta Sky Club entry or Grab and Go usage, during an Eligible Platinum Card Member's travel on a same-day Delta-operated flight.
- Card Members can earn an unlimited number of Visits ("Unlimited Sky Club Access") after making \$75,000 in eligible purchases between January 1, 2024, and December 31, 2024, and each calendar year thereafter. This will unlock unlimited access for the calendar year in which it became effective, plus the following calendar year, and until January 31 of the next calendar year.
- Once all 10 Visits have been used, and before reaching Unlimited Delta Sky Club Access, Eligible Platinum Card Members will have access to the Delta Sky Club at a per-Visit rate of \$50 per person using the Card.
- Visits will be issued beginning on February 1, 2025, and will expire on January 31, 2026. Visits issued in subsequent years will expire on January 31 of each calendar year thereafter.
- Visits are non-transferable and may not be used for guest access.

IMPORTANT NOTICES

Notice of Important Changes to Your Cardmember Agreement

We are making changes to your American Express Cardmember Agreement (*Agreement*) for the account referenced with this notice. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. The detailed changes to your Agreement can be found after the below summary chart.

Effective September 21, 2024, we are increasing the Annual Percentage Rate (*APR*) for new and existing Pay Over Time balances.

Please be assured that your new APR is no higher than the Pay Over Time rate that you would receive if you applied for the same or similar card product today. We are making this change based on your FICO® score.

Important Change to Your Account Terms

The following is a summary of the changes that are being made to your account terms. For more information, please refer to the Detail of Changes to Your Cardmember Agreement that can be found on the following page.

We are increasing the Annual Percentage Rate (*APR*) for your new and existing Pay Over Time balances as follows:

Revised Terms, as of September 21, 2024	
Annual Percentage Rate (APR) for Pay Over Time Feature	26.49% (Prime Rate + 17.99%) This APR will vary with the market based on the Prime Rate.

ID 13491

Variable APRs will not exceed 29.99%

The APRs and Daily Periodic Rates (*DPRs*) are based on a Prime Rate and accurate as of the date of this communication. See *Determining the Prime Rate* in Part 2 of your Cardmember Agreement for more details on how we determine the Prime Rate. If the Prime Rate changes after the date of this communication, the APRs and DPRs will change accordingly.

Detail of Changes to Your Cardmember Agreement

This notice amends your Agreement as described below. Any terms and conditions in the Agreement conflicting with these changes are completely replaced. Terms and conditions not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

Annual Percentage Rate for Pay Over Time Feature

Effective September 21, 2024, we are amending the *Rates and Fees* Table on page 1 of Part 1 of your Agreement as follows:

The Annual Percentage Rate (*APR*) for the Pay Over Time Feature is deleted and replaced with 26.49%. This APR will vary with the market based on the Prime Rate.

In addition, on **September 21, 2024**, we are replacing the Margin, APR and Daily Periodic Rate (*DPR*) for Pay Over Time balances in the *Calculating APRs and DPRs* section of the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement with the following:

Calculating APRs and DPRs	Rate Description	Prime + Margin	APR	DPR
	Annual Percentage Rate	Prime + 17.99%	26.49%	0.0726%

As described above, we are increasing your APR for the Pay Over Time feature on this account and we want to explain why.

Reason(s) for Our Decision

- Your APR for the Pay Over Time feature is lower than the APR on the same or similar Card products currently offered by American Express for Card Members with similar FICO scores.
- Your FICO Credit Score as provided by Experian.

Information About Your FICO® Score

We obtained your FICO score from Experian and used it in making our decision. Your FICO score is a number that reflects the information in your credit report. Your FICO score can change depending on how the information in your credit report changes. On June 25, 2024, your FICO score was 778. The FICO score ranges from 300 to 850. The following are the key factors that contributed to your FICO score:

- Lack of recent installment loan information
- Ratio of balance to limit on bank revolving or other revolving accts too high
- Too few accounts currently paid as agreed
- Amount owed on revolving accounts is too high
-

If you have any questions about your FICO score, please contact the credit agency listed on the following page.

FICO is a registered trademark of Fair Isaac Corporation in the United States and in other countries.
